

**REMARKS/ARGUMENTS**

This Amendment is being filed to correct an error in the March 13, 2007 Examiner's Amendment as to Claim 102. On April 2, 2007, Jung Hahm (Reg. No. 48,333) from the office of the undersigned attorney called Examiner Xu to address what appeared to be an inadvertent error in the Examiner's Amendment as to Claim 102. The Examiner's Amendment dated March 13, 2007 amends Claim 102 as follows:

Line 13, delete **'and'**

Line 15, after "display" insert **'and displaying the three-dimensional image data'**

Examiner's Amendment at 3. During the April 2, 2007 call, it was pointed out to the Examiner that the providing step (i.e., "providing the three-dimensional image data to . . .") in Claim 102 ends with the word "buffer," and that the displaying step (i.e., "and displaying the three-dimensional image data") should be added after the providing step, not in the middle of it. Accordingly, it was requested that the displaying step be inserted in Claim 102 after "buffer" on line 16, rather than after "display" on line 15. The Examiner advised that he understood our point and requested that an Amendment under 37 C.F.R. § 1.312 be submitted for his approval. Hence, Applicant respectfully submits this Amendment After Allowance.

Upon entry of this Amendment After Allowance, all of the allowed claims, Claims 92-111 and 113-159 will be pending in this application. The foregoing listing of claims has already incorporated the changes made by way of the Examiner's Amendment. This Amendment further amends Claim 102 as amended by the Examiner's Amendment to change the insert place for the added displaying step from after "display" on line 15 in

Claim 102 to after "buffer" on line 16 in Claim 102. No other allowed claims are being amended by this Amendment. It is respectfully submitted that no new matter has been introduced by this Amendment. Applicant respectfully requests that the foregoing amendment of Claim 102 be promptly entered prior to the issuance of the above-identified application.

No fees or extensions of time are believed to be due in connection with filing of this Amendment. However, authorization is given hereby to charge Deposit Account No. 01-1785 for any fees necessary for entry of this Amendment.

Respectfully submitted,
